## 25 YEAR RE-REVIEW

Approved For Release 2009/01/07: CIA-RDP80B01676R002600010010-4

## Dear Mr. Dulles:

Congratulations on your firm stand in regard to Mr.

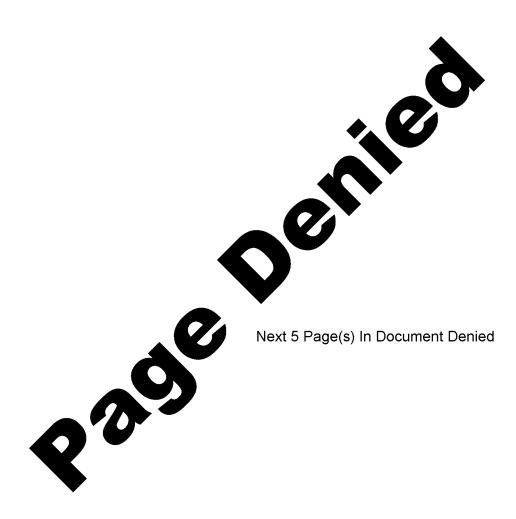

Bundy. We are very much heartened to know that this highly sensitive agency is not going to be plowed through by Senator McCarthy, the way the Voice of America has been. We know that this is in large measure due to your courage and intelligence in meeting McCarthy's barrage. Please keep it up.

Sincerely,

/signed/

Mrs. G. H. FRIEDELL
